Re: Case No. 2:13-cv-00124; *Christopher Williams v. Cordillera Communications, Inc. and KVOA Communications, Inc. d/b/a/ KRIS Communications*; in the United States District Court for the Southern District of Texas, Corpus Christi Division

Dear Judge Ramos:

Defendants respectfully write to alert the Court to another very recent ruling that might bear on the pending attorney's fees issue before the Court in the above referenced case.

In *Theaola Robinson v. The Walt Disney Company, et al.*; Cause No. 2011-54895 (234<sup>th</sup> District Court, Harris County, Tex.) Judge Ward recently awarded defendant KTRK attorney's fees and expenses of \$258,708.32 in defense of the litigation after the First Court of Appeals rendered a judgment for the defendant/movant on their anti-SLAPP Motion to Dismiss and remanded the case to the trial court for an attorneys' fees determination in accordance with the TCPA §27.009. The Court relied upon the attorney's fee affidavit to support the fee award.

The only remaining matter before this Court in *Williams v. Cordillera Communications* is the pending motion for fees supported by an attorney's fee affidavit. If there is any further information the Court needs while this matter is under submission, please do not hesitate to contact me.

Respectfully yours,
